			Maintain status quo on current POU availability.
			Lengthy discussion re the Mayors agreement w/ Conway organizers. Police were not part of those conversations & we are not necessarily obliged to adhere to it.
			Will be pivoting our messaging that it is a unlawful occupation & will not be following the Mayors message. Flyers being created w/ stronger language which will be distributed to CCO trucks by OBT.
			Russ provided update re the apps along Wellington Street Bank & Elgin.
			Cops include
			Small → Metcalfe/O'Connor
			→ East end of Intersection Bank/Wellington
			→ Brown Bank/Ket.
			Large → Kett/Lyon
			Small → Bay/Lyon.
			Reminded them about concerns re security & access from PPS & Supreme Court of Canada.
			Not facilitating moving any more trucks. They will need to speak to their Conway leaders. We could be moving them to a location where they can still be arrested.
